

South Island (Goldstream) Parks Program Naturalist

WORK ENVIRONMENT:

RLC Park Services is the Park Operator responsible for the upkeep and maintenance of Goldstream Provincial Park and many other Provincial and Regional Parks on Vancouver Island. At RLC we are conscientious stewards of our parks while providing our park visitors with an unforgettable park experience. We are committed to providing nature education opportunities, Nature Houses and visitor services all without direct government funding. Our Park Naturalist services and Nature House facilities are funded by revenues generated through donations, sales in our gift shops, special event fundraisers and user-pay programs. We are determined to keep education programs happening in our parks and all seasonal positions are expected to be part of the team working toward this goal.

DUTIES:

Imagine yourself spending your summers working in a nature setting! Do you have a passion for delivering engaging, innovative, and hands-on, nature and recreation programs to a variety of audiences? Do you enjoy a dynamic work day that combines both indoor and outdoor settings with a focus on enhancing visitors' appreciation for the natural world? Do you have an aptitude for taking care of natural artifacts and exhibits? If so, then this opportunity could be perfect for you!
