Program Descriptions

Find Out More: www.naturehouse.ca

*Guest Speakers — Stop on in for some fantastic programs brought to you by equally fantastic guest speakers! Program topics vary. Check with staff to find out what the topics are.

*MOVIE NIGHT—7PM Movie in the park, amphitheatre style! Snacks and drinks by donation — all proceeds support RLC park Services very own Tour de Rock rider.

Bodacious Bugs — From exoskeletons to super power senses, come discover bugs' gnarly adaptations for survival.

Campfire Ghosts and Legends — From local First Nations' legends to true, spine-chilling ghost stories, including Goldstream's very own hauntings, you won't want to miss this one!

F4: Fantastically Fast Flower Finders — Meet the tiny travelers and learn how to encourage them to visit your backyard!

Getting down to 'Bees'-ness — If you like honey, strawberries, blueberries and raspberries then you can say thanks to the bees! Explore their unique lives in the hive and discover what all the buzz is about!

Gutbusters — When there's something dead and it don't smell good... who you going to call? Meet Nature's Clean-Up crew and feast your eyes on some the best park scavengers!

Howlin' Heroes — From villain to hero, we'll discover the true nature of the wolf.

Into the Wild — Creatures unique to Vancouver Island! Can you guess what creatures live right outside our door and nowhere else in Canada?

Nature Photography 101 — Meet Thomas, one of Goldstream's nature photographers. Bring your picture taking device, learn about cameras, the basics of how to use a camera, and even capture a few photos

Slug Shuffle — They do indeed shuffle, but you would too if you were one of the best decomposers, nutrient-recycling creatures in the natural world...just sayin'!
